

POSITION DESCRIPTION

SENIOR ENVIRONMENTAL SCIENTIST

POSITION SUMMARY

Advitech is seeking an experienced environmental scientist to join our Environment Division for a 6 month, maternity leave cover. The successful applicant will be a degree qualified environmental scientist with three to five years experience in planning and environmental assessment. Knowledge and experience with NSW environmental and planning legislation, high level report writing skills and MS Office proficiency are essential. Advitech offers excellent opportunities for career development, as well as great working conditions in a brand new office.
